

Bill Corey

Youth Scholarship

2021 Application

Often known as the “Man in Pink,” Bill Corey was an avid supporter of the mountain horse shows, associations, and youth. Bill had a passion for supporting the youth in their activities with their horses. You would often see him on the rail cheering on his favorite youth as they displayed their love for the ride. He understood that the future of the horses was in the hands of these young riders. He loved to see the excitement on their faces as they rode their horses either in shows, trails, or just for pleasure. This scholarship was created to honor Bill and honor his legacy of supporting the youth.
